Subject	Youth Executive (Sub Committee)
Issue Date	Friday 24 August 2018

On behalf of the Club Captain, the Surf Club is calling for members to nominate for the new sub-committee, being the Youth Executive Committee (YEC).

What is YEC?

This new committee is established to encourage Young people of WANDA SLSC to get involved with the Board of Directors (reports directly to the Club Captain) about potential changes proposed, upcoming projects, pressing issues and improving standards. This committee will encourage young people within the club to have a say on specific matters, and play a role in shaping the club moving into the future. This is a great opportunity for those looking to have a say and make a tangible difference to the way the Club operates and/or key projects that the Club is working on.

When and Where will YEC be held?

The location for YEC will be at the Surf Club (either in the office or upstairs depending on what is available). The meetings / workshops will be held on the last Thursday of every month at the Surf Club starting at 5:30PM.

Who should be nominated?

- Any member under the age of 18 (parent permission must be provided).
- If the member has any leadership aspirations within the Surf Club or outside of SLS.
- Any existing and/or former JAG (Nipper) Captains.
- Any member looking to understand how the Surf Club is run in terms of governance, process and progression.

What level of commitment does the Member need to provide?

- Members can attend meetings on an ad-hoc basis, depending on availability
- The committee may be involved in take home projects to work on which may go onto making a substantial difference in the JAG or greater Club
- The meetings will roughly run for around an hour

For further information please contact **Michael Bonnici (Club Captain) – 0415779853.**

We look forward to the YEC program and further strengthening the voice of young people within our Club.
