FOUNDED 1946

15 June 2020

Dear Members,

Wanda will re-commence Clubhouse activities starting this week – the roll out will be staged (refer to the schedule of dates on page 2), and I ask all members to remain patient while we work to open the Club and at the same time ensure the safety of our members.

A detailed Covid-19 Safety Plan and Checklist is available on our website and I would like to thank Gary McNamara and Nat Buckley for their efforts in bringing this plan to life. Gary is also Wanda's appointed Covid-19 Safety Coordinator. Gary can be contacted at directoryouth@wandaslsc.com.au

As we know the Covid-19 Pandemic has changed the way we interact in public spaces, at school, at work and even in our own homes. To help us map a direct path to normal surf club activities I ask all members to exhibit common sense and help each other to follow the guidelines of Wanda's Covid-19 Safety Plan and any other appropriate guidelines.

As a member, knowing your responsibilities during this time is important so please familiarise yourself with the Safety Plan. The following requirements are to be followed should you enter the Club:

- All members must use their Club electronic tag (NO TAILGATING) **to enter the Club** through the **BEACH SIDE access door**.
- **If you do not have a tag you will be required to SIGN IN** to the visitors register each time you wish to enter the club.
- To **purchase an electronic tag** please contact the office at clubhouse@wandaslsc.com.au or 02 9523 4343. Office Hours are Monday to Friday 9:30am – 5:00pm except Tuesday (Closed). Tags are \$20 each.
- All visitors to the Club must sign the visitor register at the entry of the club providing their name, phone number and email address.
- Maintain Social Distancing of 1.5m and observe the Maximum Number of People signage for each space.
- **Use hand sanitisation on entry and exit and self-clean surfaces**, as required, with provided cleaning products
- **Do not visit the Club if you have any symptoms or are feeling unwell.**

Please note: Using the electronic tags is vital for maintaining the required logs for successful contact tracing should it be needed.

2.

The following timeline has been arranged;

- Commercial operations: Feast Caterers (The Founders Room), Wanderer Café, Fitness First – please refer to their website.
- **From 15th June 2020** Wanda will re-commence; on-site meetings, lifesaving education and training, patrol season preparations, equipment maintenance and opening of toilet facilities only.
- **From 1st July 2020** Wanda will open **access to Boat Shed and change-room** including showers.
- **From 15th July** Wanda will **open access to the gymnasium** – subject to all equipment being returned to the Clubhouse prior to this date.

At this time, I also call out to members for assistance with sourcing hand hygiene and cleaning products. Any assistance to lessen the expense of these items would be greatly appreciated.

Regards,

Nathan Spinner
President (Acting)
