Supporting Commentary

The fact is if JD had his Bronze Medallion he would have been awarded Life Membership of Wanda SLSC more than a decade ago. It's for members such as JD that this new category of Distinguished member was created. As well as his administration and coaching commitment to Wanda, JD first became an official in 2000 and has not missed judging at NSW or Australian Championships (both Seniors and Juniors) for 20 years. To top it off, JD looked after the competition entries for Wanda SLSC almost single-handedly for over 10 years and still contributes to our office administration today. We have no hesitation in nominating John Douglas for this award.
