Scott Allen was presented the Sport Achievement Award for outstanding achievement in Surf Lifesaving

Scott Allen was presented Surf Lifesaving Sydney High Commendation Award as Surf Lifesaving Sydney Coach of the year for season 2011-2012

Supporting Commentary

The numbers are compelling;

Over his 37 years as a member, Scotty has provided exceptional service to the Wanda Surf Lifesaving Club and **in 2008-2009 Scott Allen was awarded the CV Forshaw Trophy for being the most consistent member.**

As a volunteer lifesaver he has performed dozens of major rescues, hundreds of minor rescues, first aid's too numerous to tally. Scotty's influence on patrols was and is still significant. His superior knowledge of beach and surf conditions consistently support Patrol Captains with setting up and changing swimming areas when required depending on conditions. Scott's gained expertise within his role as a Lifeguard became an asset to Wanda teaching his skills in the water and in tough surf conditions. He has shown exceptional dedication, consistency and persistence as a volunteer to pass on his knowledge to previous and current patrol members ensuring a safe swimming environment at Wanda. He has trained thousands of school kids in lifesaving techniques and offered those skills to Lifesaving UK.

His ability to improve and mentor our young athletes is exceptional. He has been doing this since 1986. Scott encouraged team competition and has been a mainstay of our competitive landscape for as long as anyone in our history. This legacy remains. His legacy underlined with record numbers of patrolling members.

It is prudent to note when Scott turned fifteen (15) he started competing in Open Ski Relay teams and Taplin Relays. His longevity exceptional, competing in the 80's supporting the senior paddlers like Doug Iredale and Matt Pepper. Scott's influence in the Board and Ski team ensured skills remained at a high level. The skill-level amongst peer paddlers was always improving and so did the number of members wishing to paddle boards and ski's. Again, a testament to Scotty.

He kept competing in team events through the 90's and up until now. His infectious enthusiasm prevalent ensuring the next generation of competitors benefitted from his team spirit.

Individually, Scotty competed with distinction. He won numerous State and Australian medals and was selected in District and Sydney Branch teams as a Board, Ski and Ironman competitor.

He also started competing in Masters and was a formative leader in this area where he encouraged many Wanda members through to Masters competition and as a consequence bolstering our patrol strength as many remained as Patrol Captains and others instilled experience and supported our patrolling youth.

Scotty also coached his peers. His coaching record is formidable and arguably a large part for our current success. An example being 2011/2012 Wanda won the NSW state titles and the Australian Titles Handicap Trophy. Scott can also boast he coached many medal winners contributing to at least 5 Branch Championships and a team which won the 2012/2013 under 20 World lifesaving championships. I invite you to look at the photos on our walls in this club house and consider how many of those people owe part of that medal to Scotty.

His 19 years of service to Management and Sub-Committees is exceptional. He has also offered countless hours in fundraising; working the bar, water stations or security at the Sutherland to Surf. I can only imagine how many tents he has packed

or how many miles he has towed the club trailer. He has also given a decade to a variety of Administration roles, and much of that time was in an era when it required people come in to the club and make phone calls (there were no group texts or emails in 1989).

Any of these elements would be compelling, but in combination they are exceptional.

The best test is to ask anyone that knows him, or better still, has had a child that has been coached by him – simply ask them “why should Scotty Allen be a Life Member?” There is no doubt they’ll have a story of how he went the extra mile to help their child.

I trust that this list of facts and figures forms a narrative that illustrates something that you already knew – Scotty Allen is a great bloke and an exceptional lifesaver. He is held in the highest regard by his fellow lifesavers and it is a great privilege that he is a Wanda member.

Scott’s membership record of participation and achievements illustrates his unwavering support and membership over the last 35 years which deserves recognition of Life Membership to Wanda Surf Life Saving Club.

I believe that it’s time he was a Wanda Life Member.

Yours in Lifesaving,

Stuart Smith
