Final Carnival Circular

1. Introduction

Thank you for entering Wanda SLSC’s 7th Annual Tradies “One Club” Carnival. Our Club is looking forward to hosting your club, competitors, officials, water safety and spectators and hope that all have a most enjoyable day.

This year events will be conducted in the U9 to O40 age categories plus a Competitor with a Disability category.

This Circular details some important information. Please take a moment to familiarise you with the content.

Please also complete the following “Must Do” registrations ASAP and prior to the Carnival:

- JAG Water Safety Personnel at: [2022 Wanda One Water Safety Nomination Form](#) (refer Section 8).

The Wanda One Club Carnival is using “Live Heats” this year (refer Section 4).

In addition, we are very pleased to confirm that the Wanda One Club Carnival is a designated “Summer of Surf 5000 Point Official Series Event”. See:

<https://www.summerofsurf.tv/summer-of-surf-announces-the-biggest-shaw-and-partners-financial-services-summer-of-surf-racing-schedule-in-its-history/>

2. Carnival Precinct Access and Parking

On the same day as the Carnival there is a commercial market operating on Lucas Reserve (about 300m to the north of the Wanda Club house).

As such you are encouraged to enter and particularly to egress the Wanda Beach precinct via Hulme Rd or Links Avenue with traffic along Bate Bay Road discouraged.

There is no council paid parking around Wanda Beach and parking right at the beach front can be limited at busy times. 3 hour parking is available along sections of the seaward side of Mitchell Road and all day parking is available on other streets within 400 metres of the Wanda SLSC Clubhouse. Parking towards the northern end of Lucas Reserve is also discouraged because of the markets.

Trailer Parking (with tow vehicle attached) will be available at the corner of Hume and Mitchell Roads Cronulla.

In addition, there will be a craft drop off zone established adjacent to the Sutherland Lifeguard Centre.

The parking directly in front of the clubhouse will be strictly reserved for invited guests, stall holders, for mobility parking permit holders (if there are sufficient spaces) and for emergency and service access only. Please follow and respect all directions of the Wanda SLSC volunteers.

3. COVID-19

There are no specific COVID-19 safety plans other than a request that if any participant or spectator has tested positive to COVID or feels unwell, please consider others, and do not attend the Carnival.

4. LIVE HEATS AND EVENT REGISTRATION

The Registration Tents will be in the Carnival Village that is located on the grass Area located between the Wanda SLSC Clubhouse and the Sutherland Shire Council Lifeguard Centre.

Registration will open at 6:15am.

Wanda SLSC is using "Live Heats" this year (refer Section 4) in all events and Ages except R&R teams.

Live Heats is a "real time" event management system that assists organisers to manage entries, determine the rounds of events, and final results etc. Participants may follow their progress in competition using Live heats and record their results. For a demonstration of the technology please refer to <https://www.youtube.com/watch?v=Gy4M1NyQi6I/>.

For our carnival Live Heats will also maintain the Tradies Club Point Score calculation (the R&R results will be entered manually).

With the exception of R&R those requiring seeking a late entry or replacement wristbands, all competitors report directly to their respective areas and report for event marshalling when called wearing their Live Heats wristband.

Those competitors requiring a late entry or a replacement wristband must firstly report to Registration to register and pay any applicable fees before going onto the beach.

R&R competitors (who do not require a wrist band for entry into other events) may report directly to their area for competition unless a late entry is required.

Clubs are reminded that all entries fees must be paid before on the day of competition. Payment (via EFTPOS) or other agreed method will be accepted at the Registration Tent (also refer Section 14).

5. BEACH SET UP

Like many NSW beaches there has been significant erosion of sand. Wanda SLSC requests the cooperation of all participants particularly given the 1.98 metre tide at 10.40am. This cooperation includes club tent placement and craft storage.

The Water Arenas are numbered 1 to 4 from south to north. It is proposed that the Arenas 3 and 4 and the Beach Arena be conducted to the north of the Lifeguard Tower and Arenas 2 and 1 and R&R be conducted to the south of the Beach Access Pathway. It is proposed that the 2km Runs and the 2km paddle start and finish from in front of the Wanda club house.

- Beach Arena: U9 – Over 40 years and Competitors with a Disability
- Water Arena 4: U9 to U10 plus U11 Female Water and Competitors with a Disability
- Water Arena 3: U12 to U13 plus U11 Male Water
