**Note: You must complete the online component of your Bronze Med. proficiency, (skills maintenance), as well as attend the practical component at the club to remain proficient. Please complete the online components of all awards you hold.
Please enrol into a practical Proficiency Online via the Members Area**

Patrol Captains and SMBM award holders should complete the online component (Supplementary learning) for Patrol Captains.

- Content to be covered in Proficiency can be found in the Proficiency Kit- located in the Director of Education collection box.
- ****** Members who have the Advanced Resuscitation Techniques Certificate (ARTC) award, must upgrade to the new ART Award, please check your members portal to confirm. The ARTC is no longer valid, Proficiency applied to the ART and ART [AID]. ******
- Patrol Captains may conduct a proficiency for members of **their Patrol only**.
- **S.M.A.R.** holders must submit a Timed-Swim Form proving their ability to swim 400m in under 8 minutes again this season.
- **SSV (ATV)** holders – To maintain proficiency, ensure your License Expiry date has been updated on the member's Portal. See "Memberships"; "Update member details".

Important Notice: To expedite proficiency renewals and minimise processing delays, all members must complete online learning and assessments before attending practical sessions. Failure to do so will cause delays for everyone on the day of the practical session. If you encounter any issues, please reach out to the club for assistance.
