**1. INTRODUCTION**

Thank you for entering Wanda SLSC's 11<sup>th</sup> Annual Tradies “One Club” Carnival.

This Circular details some important information. Please take a moment to familiarise you with the content.

Our Club is looking forward to hosting your club, competitors, officials, water safety, and spectators and hope that all have a most enjoyable day.

This year events will again be conducted in the U8 to O40 age categories plus adaptive competition.

Wanda is again including Swim, Board, Craft and Beach, Surf Boats, R&R, and March Past on the event programme further cementing the vision of a “One Club” Carnival that encompasses all lifesaving sport disciplines and participants of all ages.

In addition, the Tradies Wanda One Surf Carnival will again be a 5000-point “Shaw and Partners World Ocean Series” (WOS) event. This initiative has attracted a number of elite age group and open Ironmen/women, and specialist competitors to our Carnival.

Conditions permitting, and to best present the Carnival, Wanda SLSC is again planning a short “finals session” featuring eight great events featuring March Past, Surf Boats, Beach Sprints, Ironman and Ironwoman and concluding with Tradies Mixed Open 6 Person Taplin Relay. The finals are timed to commence at 12 Noon with a March Past, the National Anthem and a short welcome from Fiona Sutton, Wanda SLSC President and conclude by around 3:00 pm with the conduct of the Open 6 Person Mixed Taplin Relay event.

And, to celebrate the conclusion of Wanda's 80<sup>th</sup> Year Anniversary celebrations, the Carnival will be broadcast by WOS from about 10:00 am. Please refer [here](#) for the link to view the action.

Please ensure that all your entries are complete via the [Live Heats Wanda entry link](#) by 12:01 am on Monday, 19 October 2026 in order to avoid any late entry fees – refer Section 4.

And, if not already undertaken please also complete the following “Must Do” registrations ASAP prior to the Carnival:

- **Register Nipper Water Safety Personnel** for Clubs with the ratio of 1 water safety person per 7 U8 -U13 aged competitors: [Water Safety Registration Jot Form](#). Please also refer to Section 9 of this Circular.
- **Register IRB Driver/Crew Personnel** for Clubs with more than 50 competitors: [IRB Driver and Crew Registration Jot Form](#).  
**Note:** Wanda SLSC will provide the IRBs – we just need drivers and crew. Please also refer to Section 10 of this Circular.
- **Nominate Carnival Officials** with the ratio of 1 Official per 15 competitors from each club: [Officials Nomination Form](#). Please also refer to Section 11 of this Circular.

**Note:** We are short of Officials. To ensure that the Wanda One Club Carnival can be conducted safely and efficiently, and all have a great experience, Wanda will insist on clubs fulfilling these commitments as part of their participation in the Carnival.

And finally, competition shall be conducted as per the current edition SLSA Surf Sports Manual except where detailed in the Wanda One Entry and Final Carnival Circulars, and other relevant SLS Circulars.

## **2. SAFETY AND CONTINGENCY PLANS**

Safety considerations are paramount. Safety Plans have been prepared and are available upon request.

In the event of adverse conditions, the Cronulla Beach and the area around Silver Beach at Kurnell have been identified as potential back-up venues. An assessment will be made in the days just prior to 24 October 2026 and, where possible, advance notice will be given to competing clubs via contact emails and social media.

The hierarchy of possible relocations relate primarily to water competition from U9 and 10 through to U17, then Masters and finally Open competitors, and Surf Boats. It is anticipated that at least U14 to Masters beach events, March Past and R&R would remain at Wanda Beach.

## **3. INFECTIOUS DISEASE CONTROL**

There are no particular community safety warnings or plans for this year's carnival other than the usual request that if any participant or spectator has tested positive to an infectious disease or feels unwell in any way, please consider others, and do not attend the Carnival.

#### **4. CARNIVAL PRECINCT AND PARKING**

There is no council paid parking at Wanda Beach and parking right at the beach front can become limited at busy times.

Three hour parking is available along sections of the seaward side of Mitchell Road between Wanda and Elouera SLSCs and all day parking is available on the western side of the road and on other streets within comfortable walking distance from the Wanda SLSC Clubhouse. Access to the car park directly behind Wanda SLSC clubhouse with cars and trailers will not be possible as it is the main access hub for emergency services and for event organisation access. In addition, this car park will also be strictly reserved for invited guests, store holders, for mobility parking permit holders (if there are sufficient spaces).

A Board and ski craft drop off zone will be established to the north of Sutherland Shire Council Lifeguard Centre adjacent to the Wanda Clubhouse.

Boat Trailers may be unloaded on the driveway at Elouera SLSC (Beach Access track 17) and carried on to the beach. Boats may also be carried down the beach access track 16 from Mitchell Road to the beach.

Notwithstanding restricted parking, trailers should not be parked on the seaward side of Mitchell road between Wanda and Elouera as they can be a hazard for pedestrian traffic.
